

MINICLUB REGULATION

In order to enjoy the recreational entertainment service, offered by Sassabanek, each accompanying adult must read this regulation which is considered approved and accepted in full from the moment the child uses the service. At the established times, the teaching staff will organize games, crafts and workshops to make children live an exciting experience full of fun.

- 1) The service is free on the established days.
- 2) The service is guaranteed for children from 5 years old, while for children from 0 to 5 years the presence of an adult or companion is required.**
- 3) The animation staff decline any responsibility for all children left alone by their parents at the miniclub.

SERVICE FEATURES

The Mini Club Service is offered free of charge.

The activities are entrusted to the animators who are responsible for organizing and managing activities at the miniclub of the Sassabanek campsite, in the stranding area and at the swimming pools.

RULES OF CONDUCT

- a) The adult must accompany the minor and entrust him directly to the receptionist, communicating who will come to pick him up at the end of the animator activities. The Sassabanek campsite and the operators decline all responsibility for minors left alone at the entrance of the miniclub or withdrawn after the end of the recreational activities.
- b) It is recommended that parents leave a telephone number (mobile phone) to allow managers to contact them in case of need.

- c) It is not possible to bring into the miniclub food, drinks, animals, toy weapons or objects that harm the psychological safety of children, nor objects that may be dangerous for the minor himself.
- d) If the minor assumes, towards other or the animation team, behaviors such as to make it difficult to carry out entertainment activities, the staff will be free to contact the reference adult and remove the minor. Children and participants in the animation activities may be removed if they do not respect the rules of the game and these general regulations.
- e) The baby club does not provide for the custody of children from 0 to 5 years therefore it is absolutely forbidden for the accompanying adult to leave the play area chosen from time to time by the animators.
- f) The service of the animation consists in creating moments of animations and creative workshops - it is not a childcare service or babysitting service; Therefore, if the parent or carer feels that their child needs to be assisted, they can stay during the activities.
- g) The animators, between the end of one activity and the beginning of the next, may need technical breaks in which children will be left alone for a few minutes.
